Waistcoat, Raisa Vanessa at Threads Styling

Ring, Boucheron

Skirt, Paco Rabanne at Selfridges

Machino Spring/ Summer 2020

# MUSÉE PICASSO

For a date at Antibes' Picasso museum on the 50th anniversary of the Spanish icon's death, it's time to amplify the art aesthetic. In the 1940s, Pablo Picasso had a studio in the town at what was then Château Grimaldi, which was later renamed the Musée Picasso and now showcases an impressive collection of his works. Embrace the artist's Cubist legacy with quirky accessories, blocks of colour and confident silhouettes. Then mix them together with Riviera flair – think stripes and clothes that are easy, breezy and sun-ready. [antibes-juanlespins.com](http://antibes-juanlespins.com) M

Mini dress, Valentino at Selfridges

Earrings, So-Le Studio

Shoes, Loewe at Selfridges

Clutch, Roger Vivier
