## SHOWSTOPPER

The Kiki green tourmaline, fire opal, and diamond oval drop earrings will suspend time as they hang from your ears, adding an air of elegance and sophistication. The earrings feature a subtle curve, and the edges traced with shimmering diamonds catch the light with every movement. Two central gemstones, chosen for their unique beauty and character, will be sure to turn heads and spark conversation.

## Unforgettable design

Nada Ghazal's Baby Malak collection is a celebration of strong women who are glamorous yet understated. In the signature Nada Ghazal style of brushed 18kt yellow gold with tsavorites, the organic and sculptural shapes of the Flourish ring are designed to be worn as a bold, everyday look.
