Baby Malak, [Nada Ghazal's](#) latest collection (also available at Dover Street Market), was released earlier this summer. Little did the jeweller know that its sculptural rings of teetering towers topped with gems – designed to convey inner strength and resilience in the face of adversity – would be more relevant now than ever.

'Baby Malak Flourish' Marquise rings inspired by a sentiment of hope one that defies the status quo. Designed at a time when our world at home as well as globally is in upheaval, they are a reminder that no matter how difficult things are, we need to stand tall, resist and rise up to assert our presence.
